Beginning: All praise and glory to the Father, All praise and glory to the Son,
All praise and glory to the Spirit, Our holy God is three in one!

1.The great I AM, who is for - e - ver, laid earth's foun - da - tions with his might.
2.He bore our sin and felt our weak - ness; he knows our frame that we are dust.

The morn - ing stars all sang to - ge - ther with shouts of joy and great de - light!
Then, like a lamb, he died in meek - ness. On Christ we cast our hope and trust:
"To God, hos - a - na in the high - est!" Let all cre - a - tion join the shout!

And we were known be - fore cre - at - ed; first born in Ad - am, then in Christ,
for he a - rose, the grave de - feat - ing, and with the Spir - it we are sealed!
All praise and glo - ry to the Fa - ther, all praise and glo - ry to the Son,

who was fore - told and long - a - wait - ed, the Son of God, our Sac - ri - fice.
Our great high priest is in - ter - ced - ing, the hope of glo - ry now re - vealed.
all praise and glo - ry to the Spi - rit; our ho - ly God is Three in One!
